Purple and rose replace sage, so the brand stays warm and grown-up, not baby-care. Keep about 60% cream, 25% purple and 15% rose.

Real moms, real mornings, broken up with simple brand tiles.

- **Rhythm:** about two photos to every brand tile, so the grid always has a pop of purple or rose.
- **Photos:** moms around 27–36, active, warm and smiling. Natural light, parks, mats, coffee.
- **Brand tiles:** purple or rose backgrounds with Outfit headlines and the loop symbol.
- **Captions on photos:** short, lowercase, Outfit ExtraBold, on a soft dark fade.
- **Profile picture:** the loop symbol in purple on cream.
